

Webinar: Employee wellbeing and engagement during a pandemic

SEMLEP's
Growth Hub
Connected Business Support

As discussed during the live session, please see below from HR Solutions some example questions you could use on an employee survey;

- What area of the business are you most worried about now that you are working from home?
- Do you have a good understanding of what is happening with the business right now?
- Is there anything else that the company can be doing to support you during this period of time?
- Do you feel that you have enough contact with your line manager during this period of time?
- What one thing do you think the Company could introduce to support you during this period of time?
- Do you have any feedback specifically around working from home, and your experience?

As discussed during the live session, please see below from HR Solutions some example questions you could use on an employee survey;

- During the work-from-home period, how can we help you feel really connected to the business?
- Please suggest one way we can maintain fun and energy within our team while working from home.
- What one piece of advice would you give to your colleagues around successfully working from home?
